

Beaverswood®

Self-Adhesive

Extra Large 125mm Ticket Holders

Tough, transparent PVC profile, supplied with aggressive high cohesion adhesive strip for permanent locations. Precut sizes from stock, special sizes up to 3m on request.

Can this product be used in a chilled environment? Yes, this product is ideal for use in chilled environments. However, we always recommend applying at ambient temperature first and then lowering the temperature. This is to reduce the possibility of ice or moisture getting between the magnetic backing and the steel surface.
